2022.

Soler-Lopez, Jorge, and Kinnon Scott. “And Then the World Changed: First Insights on How the Pandemic Affected Remittances in Northern Central America.” Chapter 9 in *Remittances and Development: The Experience of Northern Central America*. World Bank, Washington, D.C., 2022.

Technical Notes

Soler-Lopez, Jorge, et al. “Estimating Global Poverty in Stata: The Povcalnet Command.” World Bank Global Poverty Monitoring Technical Note No. 9, 2019. ([link](#))

Sent to Review

“Naturalization under Targeted Political Threat: Evidence from Mexican and Chinese Immigrants in the U.S.” With Ireri Hernandez Carvallo. ([Preprint in my thesis-link](#)). Under review in *Journal of Politics*, Summer 2026

“Food Insecurity as a Trigger of Migration Intentions: Evidence from a Pandemic Shock in Five Latin American Countries.”. Under review in *Food Policy*, Summer 2026

“The Protection Gap: COVID-19 Exposure, Job Retention Schemes and Financial Strain Among Older Workers in Europe.” With Manuel Serrano-Alarcón and David Stuckler. ([Preprint in my thesis-link](#)), Summer 2026

“A Foot in the Door: Ethnic Employment Quotas and Democratic Attitudes in Uruguay.” *Preprint*. ([link](#)) Under review in *Journal of Race, Ethnicity and Politics*

“latinobarometro: Downloading, Repairing, and Harmonizing Three Decades of Latinobarómetro Survey Data.” Sent to *The Stata Journal*, Summer 2026

Working Papers

“Identifying the Causal Impact of Remittances on Food Insecurity: Evidence from HFPS Data.”

“Generous on Paper? De Jure Regularization, De Facto Documentation, and Migrant Welfare.”

Work in Progress (Feasibility)

“Cycling Between Necessity and Choice: Insights from Buenos Aires and São Paulo”: I explore the connection between socio-economical status, bike use and commute time using HTS surveys.

“Contesting Identity in Collaborative Knowledge Production”: Event-study evidence on editing conflict and administrative governance following public gender-identity announcements on English Wikipedia biographies.

“Extreme Heat and Visitor Flows at Open-Air Heritage Sites”: With Luca Polidoro. Assessing whether daily attendance at open-air archaeological sites responds to extreme heat, ahead of a proposed multi-site panel across Lombardy museums.

Software Contributions (Published)

[latinobarometro](#) : Download and harmonize LAC opinion data in Stata

[povcalnet](#) : Programmatic access to the WB’s poverty estimation tool.

Selected Professional Contributions at the World Bank

Poverty and Equity Global Practice, LCSP (2016–2019)

- Co-authored flagship reports on Afro-descendants in Latin America: Toward a Framework of Inclusion ([link](#)) and Disability Inclusion in Latin America and the Caribbean: A Path To Sustainable Development ([link](#))

- Produced poverty, inequality, and labor market indicators using national household surveys.
- Worked with harmonized microdata for cross-country distributional comparisons within the LAC Equity Lab work programme. ([link](#))
- Developed interactive dashboards on Afro-descendant inclusion using census data, opinion surveys, and household living standards surveys. ([link](#))

Georgia Country Team, ECA Poverty and Equity (2020–Present)

- Comparative poverty analysis using EU-SILC harmonized household income and living conditions data (SILC-HIES). -Forthcoming October 2026
- Indicators and analytical frameworks for monitoring household welfare dynamics in ECA middle-income context.

Conferences and Seminars (as presenter)

2026: Alppop, **2025:** Alppop, WB Pulse of Progress. **2024:** APSA Annual Meeting; AlpPop; Stanford-ETH Immigration Policy Lab; SEA Annual Meeting, Bocconi P&I Seminar. **2023:** AlpPop; Bocconi P&I Seminar, Poverty and Policy Working Group (**earlier**): Bocconi La Strada & Il Brutto Student Seminars

Fellowships and Awards

PhD Fellowship, Bocconi University, 2019–2025
 VP Unit Awards Winner- Outreach for the Afro-descendants project - World Bank 2019
 Colfuturo Grant, full Master's duration, 2014–2016
 Bocconi Scholarship for International Students, 2012–2014
 Bocconi Scholarship for studies at MGIMO, 2012–2014

Teaching

Bocconi University

BEAT Programme (Bocconi Excellence in Advanced Teaching), 2023

Pennsylvania State University

Graduate Teaching Assistant, 2014–2016: Introductory Economics, Intermediate Economics (online), Environmental Economics

Universidad ICESI, Cali, Colombia

Undergraduate Teaching Assistant, Microeconomics I and II, Game Theory, 2007–2011

Technical Skills

Programming and Statistical Software: Stata, R, $\LaTeX$, Python, Tableau.

Data I worked with: Opinion: Americas Barometer, Latinobarómetro, World Value Survey. *Household Surveys:* EU-SILC / SILC-HIES, LIS, World Bank HFPS. *National HH Surveys:* LSMS (Colombia, Uruguay, Brazil, Argentina, Georgia), HIES (Georgia, Colombia, Brazil), CPS, *Admin Data:* Census data from IPUMS and NSOs. Honduran Social Registry.

Surveys I helped developed: Survey of Well-Being via Instant and Frequent Tracking (SWIFT) for Haiti 2017: Questionnaire and Sampling Frame

Languages

Spanish (native); English, Italian (full professional proficiency); French (professional B2, *Diplômes de français professionnel*); Portuguese (intermediate); German (basic words and phrases).
